MY MORTON GROVE

A LOCAL STORIES PROJECT

Everyone has a story! MGPL is partnering with the Morton Grove Historical Museum on *My Morton Grove,* an oral history project focusing on the stories of Morton Grove residents of all ages. The goals of the project are to record and preserve stories from Morton Grove's diverse community residents about their lives and to advance the understanding that everyone's story is worth telling.

If you or someone you know would be interested in sitting down for a recorded interview (up to about 40 minutes) or would like to know more about the project, contact Chad Comello, Adult Services Librarian, at ccomello@mgpl.org or 847-929-5108.

CRAFTING for Charity

Every second Saturday of the month 10 to 12 dedicated crafters come to the Library to work on the current crafting project. They knit or crochet items to donate to various community organizations that take care of less fortunate among us.

Participants just finished making over 60 soft stuffed toys for children in local hospitals.

Saturday, Sept. 10, 10 am-12 pm
Saturday, Oct. 8, 10 am-12 pm

Hey, crafters, here is a chance to let your imagination go wild. Over the winter months, we are going to be making twiddlemuffs – knitted or crocheted muffs with items such as ribbons, large buttons or textured fabrics attached, that patients with dementia can twiddle in their hands. Twiddlemuffs provide a source of visual, tactile and sensory stimulation while keeping hands snug and warm.

Bring your needles and/or hooks. Novices welcome!
